# Louvolite Window Blinds

## Blinds to suit any living space

In addition to giving you privacy and protection from the external environment, Louvolite window blind fabrics will also add a touch of style to your room. Vibrant colourways, bold, imaginative prints and subtle jacquards - these are just some of the highlights of our extensive fabric collection. Add to that our faux suedes, grass weaves, natural fabrics, wood weaves and the revolutionary Louvolite Perfect Fit<sup>®</sup> and you have a simply stunning collection from which to choose when creating your interior designs.

## High Performance

Louvolite fabrics are treated with high performance coatings that help protect interiors from the extremes of solar glare. Look out for fabrics that offer extra protection such as ESP<sup>®</sup> (blackout) fabrics, SPC<sup>®</sup> (anti-glare) and Ultra-Fresh\* (anti-bacterial & kills MRSA). Many of our vertical fabrics are also machine washable to help keep them fresh and looking great.

## Louvolite Perfect Fit<sup>®</sup>

With its stylish and contemporary appearance, window blinds look better, perform better and are more desirable when used with Louvolite Perfect Fit<sup>®</sup>.

Perfect Fit is a revolutionary new system that fits UPVC windows and doors without the need to drill or screw holes into the frame. Quick and easy to install, Perfect Fit is available as roller, pleated and venetian blinds.

## Finishing Touches

Personalise your blind by selecting from our large range of accessories. Braids, pulls, eyelets, poles, finials and scallops in a fantastic array of colours and materials are just some of the extras you can add to provide the finishing touch to your window blind.

## Child Safety

Safety in the home is a primary concern for Louvolite. It is recommended that you ask for an appropriate child safety option to be fitted to your window blinds.

# Vertical Blinds

## Blinds to suit any living space

Easy to use and versatile, vertical blinds can be drawn neatly back to the side to offer you unlimited views, or the louvres can be rotated through 180 degrees to allow just the right amount of light into the room and maintain an element of privacy.

The vertical blind range is an eclectic mix of beautiful jacquard weaves and designs in contemporary colourways, seductive suedes, exotic grass effects and organic natural hues, all of which will create window blinds of pure distinction.

Our vertical blind fabrics are available in either 89mm or 127mm width louvres and your blinds will be tailor-made to meet your exact requirements.

Many of our vertical blind fabrics are also machine washable to keep your blinds clean, fresh and looking good for many years to come.

# Panel Blinds

Blinds to suit any living space

Panel blinds are an elegant and versatile shading solution for larger windows or patio doors and may be used as a room divider. The blinds encompass large panels of fabric which stack neatly behind one another when open, allowing maximum light into the room. To control light, reduce glare and increase privacy, simply slide the panels to the required position.

Available in natural looking and translucent fabrics panel blinds will transform the look of any room with their cultured, sophisticated appearance.

# Pleated Blinds

Pleated blinds look great in any room setting and can be made into an incredible variety of shapes and sizes. This makes them particularly suitable for conservatories, where shaped skylight and side windows can be dressed with colourful fabrics to help control heat and glare in summer and retain heat in winter.

Available in both 20 and 25mm pleats, our stunning collection contains a number of features that will assist your comfort and enjoyment. SPC® (Solar protective Coating) and SPF™ (Solar Pearlescent Finish) treated fabrics have advanced solar and optical properties that will reflect and filter light to help reduce heat build up in your room. ESP® fabrics create high quality blackout blinds.
